## Serving the Scouts

Dr. Rob recently received the Silver Beaver Award from the Twin Rivers Boy Scout Council at the Gideon Putman Hotel in Saratoga Springs. The Silver Beaver Award is the council-level distinguished service award of the Boy Scouts of America. It is given to those who implement the Scouting program and perform outstanding community service.

### CareCredit

This is a new payment option we offer. CareCredit offers you the opportunity to have your dentistry completed whenever you are ready. It is easy to apply with convenient payment options.

### Dental Insurance

We now participate with APA, Delta Premier, CDPHP, Blue Shield and Cigna. As an extra courtesy, we will gladly submit insurance claims to almost any insurance company for you.

Our staff is excellent at maximizing your insurance benefits.

### Thank You Very Much

Our practice will always be growing and accepting new patients. Referring your friends, family and co-workers is the best compliment our practice can receive.

### Staff Education

Dr. Bill , Dr. Rob and the staff recently were re-certified in CPR, including medical emergencies in the dental office. The course was given by Michael Burns of the Albany Fire Department.

**Office Closed Fridays in the Summer**  
We will be closed Fridays beginning July 6th until after Labor Day

## Intec Mini Dental Implants

These implants help to stabilize lower dentures and are completed in one visit our office. There are no incisions or stitches, and no waiting months to heal. Many times the existing denture can be used which also makes this procedure more economical than conventional implants.

For more information please ask or check out [www.imtec.com](http://www.imtec.com)

## CONGRATULATIONS

*Cindy's daughter Sarah and Shi-reen's daughter Stephanie have graduated from high school!  
Both graduates will be attending college in the fall.*

## Back to School

Dr. Herzog recently attended the 4th District Dental seminar on dental implants. Dr. Bill has just completed a mini-residency in Intec mini dental implants. We feel dental implants have been proven to be a successful method to replace missing teeth or help those with loose dentures.

## 20 Year Anniversaries

This year *Cindy, Lisa and Kathy* celebrated their 20 year working for the practice. We are very fortunate to have these three key team members!

Dr. Herzog and his wife Sue celebrated their 20th wedding anniversary in May!

## Welcome Colleen

We would like to welcome Colleen to our Hygiene staff. Her smile and energy are contagious.
